

16-Device Portable USB Charging Case- Charge Only for any USB device up to 11" - Vertical

- **The GoCabby Charge Only** charges 16 USB devices up to 11" – tablets, POS, Kindle, Android, Surface or any other USB chargeable equipment via a 16 port USB A Hub.
- **It is efficient and intelligent** as it auto-detects the exact make and model of the device and delivers high-speed charge at the optimum rate.
- **Provides device Mobility & protection** in a hard-wearing lockable flight case with dual clasp locks, top and side grips and telescopic handle.
- **It has no boundaries** with the ability to connect a WiFi Access Point for the devices to connect to and a double-gang power outlet.
- **It never overcharges** as it detects when the device battery is full providing trickle charge.
- **This unit is safe and reliable** with electrostatic discharge (ESD), over-voltage, over-current and over-temperature protection.
- **With Support for Life with Lifetime Warranty** (5 years electrical), shipped fully assembled.
